Dear Gardener

July 2013

Welcome to our 2013 price-list, covering this year's range of bulbs for autumn planting.

We wondered what effect the disappointing weather would have on this spring's flowering. We have nonetheless been most reassured by the phone calls from customers telling us what a good show they have had. This will be partly because we always specify the larger size of bulbs, (our tulips are mostly 11/12 cms in circumference, and our daffodils are 14/16). Bigger bulbs produce better flowers and are more likely to naturalise.

**New** for 2013 are **Autumn and Christmas flowering** bulbs, an increased range of narcissus and new tulip varieties. We have also reintroduced **Imperial Lilies**, now growers have overcome the lily-beetle problems. Price increases have been minimised, but the weather last summer has led to a small increase in prices on tall daffodils and narcissus, snowdrops and English bluebells.

If you would like to order from us this year, please complete the form and send it back to us, or call us and we can fill it in at our end. (This can be quite a good idea if you are looking for any advice, which we are always very happy to give). Or alternatively go online at [www.riversidebulbs.co.uk](http://www.riversidebulbs.co.uk) where there are further details, more bulbs in limited supply and pictures.

With best wishes  
Matt Long

**ORDERING** Please fill in the quantity of each variety you require in the "order quantity" column, and show the cost for that quantity in the "order value" column.  
**Where there is a choice of varieties, please underline or circle those in which you are interested.** Where you select "mixed" you will receive a mix of all the varieties shown. If we do not offer the choice of mixed it is because the various varieties flower at widely different times, or are of very different heights. Add up the total value of your order, and if you need us to deliver the order to you, please add £7.50, plus an additional £4.25 for each sack ordered, as a contribution to the cost of packing and carriage. If you wish to collect, please tell us.
